Testimonial

College Infrastructure

Classrooms and labs were spacious and well-equipped. It had all the basic facilities and testing apparatus, which were essential for a course. The library was well-stocked with books, and the decorum was maintained properly. The playground was properly maintained, and we were involved in various sporting activities throughout the year. -

Academics:-

Teachers in our college were very helpful and knowledgeable in their field. They guided us properly in the best possible way.

Tousif Ghani
