## Programme Report

### Student Orientation Program of B.D.S 1<sup>st</sup> Year Batch 2020 on 18.01.2021

I.T.S. Dental College, Hospital & Research Centre, Greater Noida welcomed their new Batch of students from more than 15 states across India to the 1<sup>st</sup> year B.D.S. Program 2020.

The event was inaugurated by invocation to Goddess Saraswati and lamp lighting was done by Chief Guest Dr S.K Kak, Executive Member CCE & Former Vice Chancellor, CCS university , Meerut, Guest of Honor, Mr Sohil Chadha, Vice Chairman, I.T.S – The Education Group, Principal, Dr Sachit Anand Arora. Also present on the occasion were the new students, parents and all Dental & Medical HOD's.

The poster for the Orientation Programme BDS Batch 2020 features the ITS Dental College logo at the top. The main text reads 'ORIENTATION PROGRAMME' and 'BDS BATCH 2020' in large, bold letters. Below this, it states '18<sup>th</sup> Day of JAN, 2021'. Two portraits are included: Prof. S. K. Kak, Executive Board Member - CEE, Former Vice Chancellor, Ch. Charan Singh University, Meerut and Mahamaya Technical University, Noida, labeled as 'Chief Guest'; and Mr. Sohil Chadha, Vice Chairman, ITS-The Education Group, labeled as 'Guest of Honor'.

On this occasion, Chief Guest Dr S.K Kak, wished the new students a glorious and successful future. He advised students to have patience in life to achieve success. He gave three mantras “**passion for work, focus on aim and consistency in performance**” for becoming successful clinician and academician. He told that to become a good doctor one should be courteous and polite with their patients. He said that it is behavior of doctor with the patients which stand him apart from other doctors. He advised students to enjoy every moment of life which is coming in their way.

Dr Sachit Anand Arora, welcomed new entrants and their parents and congratulated them for becoming a part of ITS Parivar. This was followed by the introduction of H.O.D.s and the Academic Co-coordinators and Academic Office Staff. He welcomed the newly enrolled students and said that their

aim should not be just to get education but also to become good human being. They should be able to learn to be competitive enough so that they have an edge over other doctors. He said students have to keep pace with change to be a successful clinician.

On this occasion, Mr Sohil Chadha, Vice Chairman, I.T.S – The Education Group, wished the new students a glorious and successful future. He told that to be a successful clinician one has to be disciplined and dedicated to serve the needy people. He also told that students can make mistakes, but they should not hide them instead should learn from their mistakes. He told them that students should think different to stand out among the crowd.

After this, the newly entrant students of the college introduced themselves and gave an insight into their interests and hobbies.

The highlight of the program was the inspiring and motivational presentation on dentistry by the, Dr. Sachit Anand Arora, Principal. He said that I.T.S Dental College is one of the Top Notch Institute in the country and its alumni are doing excellent in their respective fields. He also briefed the students about the rules and regulations to be followed in the college and how to achieve a bright career through a disciplined life.

The orientation program concluded with lunch for the students, parents and faculty members.

Mr Surender Sood, addressed the newly enrolled post graduate students and told them the way to excel in Clinical world is discipline, hard work and compassion. He told that the aim should not be just to get education but also to become good human being. He said that students should have an urge to learn which should not stop and they should explore things which are beyond the books and are for betterment of the community. They should be able to learn to be competitive enough so that they are at edge with other people.

On this occasion, Chief Guest Prof K.K Aggarwal wished the new post graduate students a glorious and successful future. He told that to be a successful clinician one has to be disciplined and dedication to serve needy people. He advised students to have patience in life to achieve success. He gave three mantras “ passion for

work, focus on aim and consistency in performance” for becoming successful clinician and academician. He also told that student can make mistakes , but they should not hide them instead should learn from their mistakes. He said that focus of the students should be learning new skills in

future. He told that to become a good doctor one should be courteous and polite with their patients. He said that it is behavior of doctor with the patients which stand him apart from other doctors. He advised students to enjoy every moment of life which is coming in their way.

Prof (Dr)Sachit Anand Arora - Principal motivated the new post graduate students for being a confident clinician and a good leader in near future. He also informed the students about the Post Graduate curriculum for 3 years. He highlighted the features of Post Graduate Training Program and told them that their approach towards subject should be research and evidence based. He gave the mantra of Five T's namely- Time management, Team work.
