The welcome address was delivered by Principal Dr. Sachit Anand Arora followed by cake cutting ceremony with all the present association members and alumnus. More than 100 Alumnus, both graduates and Postgraduates registered and attended the Alumni meet, making it a grand success.

Alumni from 2006 to 2017 (the first and the last passout batch) took part in the Alumni meet, making it such a nostalgic and proud moment for the institute.

Majority of our alumni are well settled in reputed jobs and private sectors. Everybody had a great time interacting with their batchmates, seniors, juniors and teachers.

The highlight of this year's alumni meet was that there were around 20-25 alumni who attended the meet for the first time, and they shared that it was such a good experience for them, that they were anxiously looking forward to the next meet.

Alumni were motivated to come to their alma mater for guest lectures to share their life experiences and journey with the present students too.
